1. MEMBERSHIP FEES

Please note the Coaching/Lane Hire fees are calculated on a yearly fee however invoiced monthly and the club fee is per season (two seasons per year).

Mandurah Swimming Club relies on swimmers' fees to pay for the Coaches and lane hire, insurance, equipment and other club operating costs. However, these fees alone do not cover the annual operating costs and the club funds the balance of the outgoings from fundraising activities such as our annual swim meet.

The fees are set by the Club Committee/Board each year and are communicated to members. Fees are invoiced per month for coaching and per season for the Club fee. They do not include the annual fee to Swimming WA. The Swimming WA membership fee is charged per annum and needs to be paid directly to Swimming WA when joining or renewed in September each year.

Additional costs to swimmers which are not covered by fees include but are not limited to pool entry, swim meets entries, country pennants, and club uniforms.
