MSC POLICY 11

ONE CLUB ONE FAMILY POLICY

DATE: 17 MARCH 2022

DATE	NAME	CHANGE	APPROVE	REVISION
17/03/2022	Cadell Buss	Issued for Use	Committee	0

Due to issues in the past the club has developed a One Club, One Family policy to avoid issues seen before with family members having conflicting interests across two local clubs at the same time.

The following criteria apply to the policy

Members may have family members at another club if one or more of the following criteria are met following approval from the MSC Committee

- the distance between training facilities is greater than 20km or
- the family member is over 18yrs of age, so they do not need an adult to join with them or
- the family does not hold a committee position at either club, this can cause a conflict of interest and sharing of sensitive information.

As with all applications to join the Mandurah Swimming Club the application will have to be approved by the committee as per the Club Constitution (Rule 5.3) and these conditions above will be considered when deciding if the application will be approved or declined.
